About Dr. Patel:
Dr. Patel is a Diplomate of the American Board of Oral and Maxillofacial Surgery. After graduating from Howard University College of Dentistry, Dr. Patel furthered his knowledge and training at NYC Health + Hospitals/Woodhull, where he remained for the next five years to specialize in oral and maxillofacial surgery. Dr. Patel received comprehensive training in dentoalveolar surgery, dental implant surgery, facial trauma, maxillofacial pathology, TMJ surgery, cosmetic surgery, and orthognathic surgery. During his final year of training, Dr. Patel served as Chief Resident and was recognized as Resident of the Year. Dr. Patel's current clinical practice is focused on dentoalveolar surgery, bone grafting, dental implantology, and maxillofacial pathology. In addition to his clinical practice, Dr. Patel has authored several publications on teeth transplantation, dental implants, and three-dimensional imaging and printing. He stays abreast of the latest developments in the field by regularly attending conferences throughout the country.
