REPAIR CAFE

Sunday, January 25, 2026
1:00-4:00pm

The East Brunswick Public Library and the East Brunswick Sustainability Task Force want you to keep still usable items out of landfills.

At the Repair Café, you can bring clothing, textiles, knit & crocheted items, soft toys, jewelry, lamps, and laptop and smart phone software issues. A talented volunteer will assist with your repair. For faster service, please bring replacement parts. You can also watch prepared demos on how to repair in the comfort of your own home. You are limited to 2 repairs per person.

If you are able, please donate a future-dated non-perishable food item in original packaging. These donations will be donated to the Aldersgate Community Outreach Food Pantry.
